

# PRO-LIFE PARISH LIFE

November 2022

Dear Parish Pro-Life Rep,

## SHE Pregnancy Support is OPEN! 😊

SHE Pregnancy Support (aka Stanton Healthcare East of Scotland) opened their new centre in Edinburgh on 17<sup>th</sup> October. This is a major milestone in offering alternatives to abortion for women in our Archdiocesan area. [See more pictures and read their launch newsletter here](#)

## **ACTION:**

Could you add this to your newsletter this month

**PREGNANCY SUPPORT:** Do you know anyone who may need help during pregnancy? SHE Pregnancy Support can provide baby materials & equipment, advice and support. Text / WhatsApp: 0752 648 0578 or email: [office@stantonscotland.org](mailto:office@stantonscotland.org)

Letting women know that support is available will be a regular job, so I'll ask you to promote SHE Pregnancy Support often. This work is effective - women have already been in touch after Church talks. Posters / cards are available and Donna Cameron, SHE's Executive Director, can speak at your parish. Contact Donna: [donna.cameron@stantonscotland.org](mailto:donna.cameron@stantonscotland.org)

SHE Pregnancy Support will be having a launch event at their new Edinburgh centre on Saturday, 26<sup>th</sup> November. Details tbc – email [Donna](mailto:Donna) if you'd like to come

## Peaceful Pro-Life Vigils – Archdiocesan support and factsheet

The Archdiocese has produced a question and answer sheet about peaceful pro-life vigils. Your parish priest has received this from the Archbishop today in his Ad Clerum. Archbishop Cushley also sent [a strong message of support](#) to 40 Days for Life last month

## SPUC's White Flower – 14 / 15 January

Thanks if you've spoken to your PP about SPUC's White Flower Appeal, around **14 / 15 January 2023**. It's an excellent opportunity to get the whole parish thinking and praying for unborn children. **ACTION:** if your parish doesn't have a collection yet, do ask PP.

## **THANK YOU!**

Thank you promoting the petition on Euthanasia last month. Care Not Killing were delighted with the parish responses and they've now got hundreds more people signed up to stop this Bill.

**care** NOT **KILLING**

For Life,

Paul
