Criminalisation of prayer in Scotland A radical new law proposes criminalising prayer around abortion centres in Scotland. The law, which would be the most extreme of its kind in the world, proposes criminalising people for 'praying audibly' and engaging in 'silent vigils'. Please help us to stop this unnecessary and disproportionate attack on fundamental rights, including the right to pray, by writing to your MSPs today. You can find more information here: rcpolitics.org/buffer-zones/

Car parking – Please use the church's car parking with consideration to other users by parking your car starting with the further available spot and not blocking other lines.

Note about Hospitals - We have Catholic Chaplains assigned, but they can only act when the patient declares as a Roman Catholic and asks the Catholic Chaplain to be notified. So, communication on this matter when someone is admitted to hospital is essential. Please inform the Hospital staff that you are Catholic and you would like to see a Catholic chaplain. If you are to receive major surgery, it is recommended that you receive the Sacrament of Anointing prior to admission. If anyone has become housebound and would like Communion at home or would like to ask for the Sacrament for the sick, please contact Fr Marcin.

Mass offering - The Holy Sacrifice of the Mass is at the heart of the Catholic Faith. It is a very special way of remembering a loved one, celebrating an anniversary, making a petition or an act of thanksgiving or sharing in the feasts and seasons of the Church year. If you wish the Mass to be offered in our churches in your intentions please use special brown envelopes and please hand it to Fr Marcin or the sacristy. Customary Mass stipend is not for offered prayers but voluntary contribution towards up keeping of our clergy.

Leaving a legacy Many people remember charities in their wills. This can be for a number of reasons: by way of a thank you for support they or their family have received from the charity; as a way of making sure that the charity's good work can continue in the future; as a way to make a difference. Most charities would not survive without legacies. Our parish community has received legacies over the years and in every case the generosity of these has made a significant difference to the Parish. If you would like to make a difference, please consider a legacy to your local church when planning for the future.

Child Protection Policy Statement: "The Catholic Church in Scotland is concerned with the lives, safety, wholeness and wellbeing of each individual person within God's purpose for everyone. It seeks to safeguard the welfare of people of all ages who are involved in whatever capacity with the Church and its organisations. As a Church community, we accept that it is the responsibility of all of us, ordained, professed, paid and voluntary members, to work together to prevent the physical, sexual, emotional abuse or neglect of children, young people and vulnerable adults."
