Note about Hospitals - We have Catholic Chaplains assigned, but they can only act when the patient declares as a Roman Catholic and asks the Catholic Chaplain to be notified. So, communication on this matter when someone is admitted to hospital is essential. Please inform the Hospital staff that you are Catholic and you would like to see a Catholic chaplain. If you are to receive major surgery, it is recommended that you receive the Sacrament of Anointing prior to admission. If anyone has become housebound and would like Communion at home or would like to ask for the Sacrament for the sick, please contact Fr Marcin.
