Family Connection

Jesus' teaching about divorce and remarriage can be a challenging one for many people. The Church continues to uphold the strong and positive teaching of Jesus that God intends for a man and woman to make a lifelong commitment to one another in the Sacrament of Marriage. Many of us, however, know people whose marriage has not been a lifelong commitment. The example of Jesus teaches us that we are called to act with compassion and love in our relationships with all, and especially when people are hurting because of difficulties in their relationships. Most importantly, we remember that when marriages thrive, it is a sign of God's grace at work.

Car parking – Please use the church's car parking with consideration to other users by parking your car starting with the further available spot and not blocking first line.

Note about Hospitals - We have Catholic Chaplains assigned, but they can only act when the patient declares as a Roman Catholic and asks the Catholic Chaplain to be notified. So, communication on this matter when someone is admitted to hospital is essential. Please inform the Hospital staff that you are Catholic and you would like to see a Catholic chaplain. If you are to receive major surgery, it is recommended that you receive the Sacrament of Anointing prior to admission. If anyone has become housebound and would like Communion at home or would like to ask for the Sacrament for the sick, please contact Fr Marcin.

Child Protection Policy Statement: "The Catholic Church in Scotland is concerned with the lives, safety, wholeness and wellbeing of each individual person within God's purpose for everyone. It seeks to safeguard the welfare of people of all ages who are involved in whatever capacity with the Church and its organisations. As a Church community, we accept that it is the responsibility of all of us, ordained, professed, paid and voluntary members, to work together to prevent the physical, sexual, emotional abuse or neglect of children, young people and vulnerable adults."
